Testimonials

Lasting Flame Marriage Seminar

When my wife and I attended the LFMS marriage seminar, I wasn't sure what to expect. We have the same issues that most marriages have. We don't communicate enough, she likes to go shopping and I like to watch sports, etc. I was thinking that the seminar would expose a bunch of issues that we needed to work on. This was a mistake; we did have a few issues, but the seminar actually brought to light that we have a very good marriage. The seminar was very enjoyable and I wouldn't hesitate to do it again.

We really enjoyed our experience at the seminar. The staff were great and the atmosphere was low pressure, which allowed us to relax and really focus on the information being presented. We left with a better understanding of how to communicate clearly and effectively with each other.

Endorsements

We were privileged to be the presenters at the 2009 seminar and we can confidently tell you that you will be very well taken care of by the event staff both physically and spiritually.

And we can also whole heartedly tell you that you will not regret investing your time and resource in being with the other couples to hear the folks who are scheduled to speak. They are Michael and Amy Smalley. As you may know, Michael is the son of our friend Gary Smalley and you can count on gleaning some incredibly important and helpful insight from this young couple.

Because this upcoming seminar can provide some needed spiritual "grease" for your very valuable marriage, you'll be wise to take advantage of this event. So...we pray that you will be blessed as you plan to attend the seminar and we look forward to hearing some good reports about it.
